

### **Distance Learning at TCMS**

Students will attend classes using Google Classroom and Google Meet with the assigned teacher on their schedule. Students have the flexibility to participate in live classes or watch the videos and complete assignments after school hours. All videos will be available at any time during the day, however direct teacher contact will be available during the hours listed below. Attendance will be taken through daily interaction on Google Classroom or Google Meet and completion of assignments. Grading will be the same as traditional school.
