August 23, 2019

Dear Parent/Guardian,

As you know safety is a top priority for Taylor County Schools. I am writing to let you know of a change in visitation procedures effective Monday, August 26. On this date, any parent/guardian wishing to enter the school beyond the main office will be asked to present a photo identification. The main office will hold the photo ID until you are ready to exit the building.

If you plan to visit our school, please plan to bring along a photo identification. This will help us safeguard people entering the building, as well as maintain an accurate account of people in our building at any given time. If you plan to drop off an item in the office or simply ask a question, a photo ID will not be necessary. The photo ID will only be collected if you plan to enter the student area of the school.

Also on Monday you will notice the front door to the school will open promptly at 7:30 am. If you need to make arrangements for drop off prior to 7:30 am you may contact the office for assistance.

As always, I appreciate you serving as a partner with our school in making safety a top priority.

With much appreciation,

Melissa Long
Principal
Taylor County Primary
